## York Shooters Sign Two ....

The York Region Shooters are pleased to announce the signings of Striker Kingsley McLeod, and Midfielder Luis Cardona Jr. both of whom will add depth and quality in the attack going forward. York Region Shooters finished the 2012 CSL Season near the top of the table and a berth to the Quarterfinals. York is looking to build upon their previous years' success for 2013 and both players mentioned will be a huge part of that vision.

*"The 2012 season was a very good season for the Shooters but we need to get better on the attack for 2013. While we had excellent goaltending along with a solid defense, our attack was not in the top three in the league. After watching these two players at our trials, they added that much needed attacking midfielder with great vision plus a striker who can shoot with both feet and is very fast. These two players will make our attack one of the best in the league, if not the best." ~ Tony De Thomas*

**Kingsley McLeod** was an All-Region striker from NCAA Division I, Saint Francis University played in 68 of 71 career games, started 48 of 71 games, NEC Rookie of the week (2008),
